

# Welcome to our family

On behalf of the 164 employees at all 14 United Insurance offices throughout Maine and New Hampshire, we're thrilled to be your new insurance partner.

United Insurance began in 1868 with a single office and a commitment to always do the right thing. Today, we're on a mission to be the most trusted insurance agency in the northeast and our partnership with Venbrook Insurance Services is our latest step forward.

In the weeks ahead, we look forward to getting to know you, understanding your needs, and showing you why we're the fastest-growing independent insurance agency in Maine.

## Community is at Our Core.

At United Insurance, we're so much more than experienced insurance professionals, we're your neighbors. In addition to giving you the peace of mind that comes from knowing you're prepared for the worst, you can feel good knowing you're part of an organization that supports youth development initiatives throughout Maine.

## We're Here When You Need Us.

Your local office will be reaching out to you soon to make sure you have the best coverage for all your insurance needs. If you have questions right now, don't hesitate to call us at 207-797-9400. We believe in the simple philosophy of service with integrity, and we're excited to help you live life more confidently and begin a long relationship based on trust and mutual respect.

**Big enough to make a difference...  
Small enough to care.**
